Serbian Hunting Association
Att. Mr. Dragan Šormaz

Brussels, 19 October 2016

Dear President, dear Mr. Šormaz,

I would like to thank you for inviting me to participate in the 120th anniversary of the Serbian Hunting Association and it is with deep regret that I decline for family reasons.

I share treasured memories of my stay in your beautiful country for the FACE Members Meeting in April. I have genuinely enjoyed your warm hospitality and the pride and passion displayed in your work and way of life.

The Serbian Hunting Association has impressed me with its level of organisation and dedication. It is clear that you take your mandate very seriously and that you have managed to build excellent relations with key decision-makers and other relevant stakeholders in your country.

I would like to extend my congratulations to you and to the entire Serbian Hunting Association on your achievements and I wish you and your members a joyous celebration on Friday and Saturday.

Best regards,

Karl-Heinz Florenz
