Dear President Šormaz,

I would like to thank you for hosting the Members' Meeting in Belgrade. It was a great honor for FACE to be welcomed by the Hunting Association of Serbia (*Lovački savez Srbije*). By holding our meeting in Serbia we have sent a clear message to all Hunters in Europe that FACE is close to all those who wish to be part of it and support it.

The entire stay in Serbia was truly enjoyable, and I have heard nothing but praise from all who have attended the meeting.

The venue was outstanding. We feel very proud to have had the opportunity to hold the meeting in the National Assembly of the Republic of Serbia. The Hunting Association of Serbia gave a prestigious twist to the FACE Members' Meeting. The presentations were relevant and very helpful. They successfully bridged academic research and hunting life and demonstrated the heritage and unique character of Serbia, while also highlighting the unity of European hunters.

I would also like to thank you for your warm hospitality. I want to emphasize how much everyone appreciated your kindness, and we couldn't have asked for a more enjoyable time. You made us discover the national culture, food and beverages, and you gave the best of yourself to make our time in Serbia memorable.

I would also like to extend my deepest gratitude to all the people who were involved in the organisation of the meeting for their excellent job with a special mention to Ms. Anđela Popović who kindly assisted the FACE Members and staff during every phase of the meeting.

Kind regards,

Michl Ebner
FACE President
